“ Uttar Pradesh, the 4th largest state of India, is at the cusp of a transformational journey. The vision of Atmanirbhar Bharat laid down by the Hon'ble Prime Minister, Shri Narendra Modi has been the pillar of this metamorphosis. Backed by major governance reforms, an excellent law & order situation, progressive policies and development of state-of-the-art greenfield infrastructure including logistics facilities, airports, expressways, metro, industrial corridors, etc. a vibrant investment climate has been created in the State. Being home to a population size of 240 million people, Uttar Pradesh is the largest consumer & labour market in India.

Aligning with the Hon'ble Prime Minister's vision of making India a 5-trillion dollar (USD) economy, Uttar Pradesh aims to be a major contributor by surging ahead to become One Trillion-dollar (USD) Economy. With this objective, the State is organising a Global Investors Summit (UPGIS) from 10-12 February 2023 at Lucknow to showcase the infinite business opportunities in the State and to provide an integrated platform for global business fraternity to collaborate in the overall economic development of the State. The 3-day long Summit will bring together policy makers, corporate leaders, business delegations, academia, think-tanks, political and government leadership from across the globe, to collectively explore business opportunities and forge partnerships.

Through the various reformative steps taken for creating a holistic ecosystem for industrial development and the formulation of more than 25 policies for attracting global investments, the State Government assures a grand welcome to all our investor partners. On this note, I heartfully welcome the global business community to come, invest in UP to power New India. ”

Yogi Adityanath
Hon'ble Chief Minister
Government of Uttar Pradesh

Destination Uttar Pradesh

Defining long term sustainable growth

Highest consumer base in the country

- 240mn population and another 200mn in the neighbouring states
- Hosts seven cities with 1 mn plus and seven others with over 0.5 mn plus population.

Zero tolerance towards crime

- Special focus on Transparent and proactive policing, capacity building and eliminating organised crime

One of the easiest States to do business

- Achiever State in 2020 and 2nd rank in BRAP Ranking 2019
- 3500 compliances reduced
- Largest digital single window – 355 services of 29 departments

Focus on world class infrastructure

- Home to ~38% of India's expressways
- Only State to have 5 international airports (3 existing & 2 upcoming)

Leading logistics & warehousing hub

- Top ranked State – Achiever Category (90% above) and jumped 7 positions to achieve the 6th position in LEADS Ranking 2021
- Industry status to warehousing & logistics sector

Top ancillary base

- Highest MSME base in India (14.2%)
- Top 5 exporting states of India;
- Top 5 manufacturing states of India

Policy based Governance

- 25+ sector specific policies
- Attractive incentives benchmarked to the best in the country

Land Availability

- Huge land bank at key economic zones and along expressways/corridors
- Fast track land allotment in 15 days for mega projects
- GIS enabled land bank integrated with GoI portal

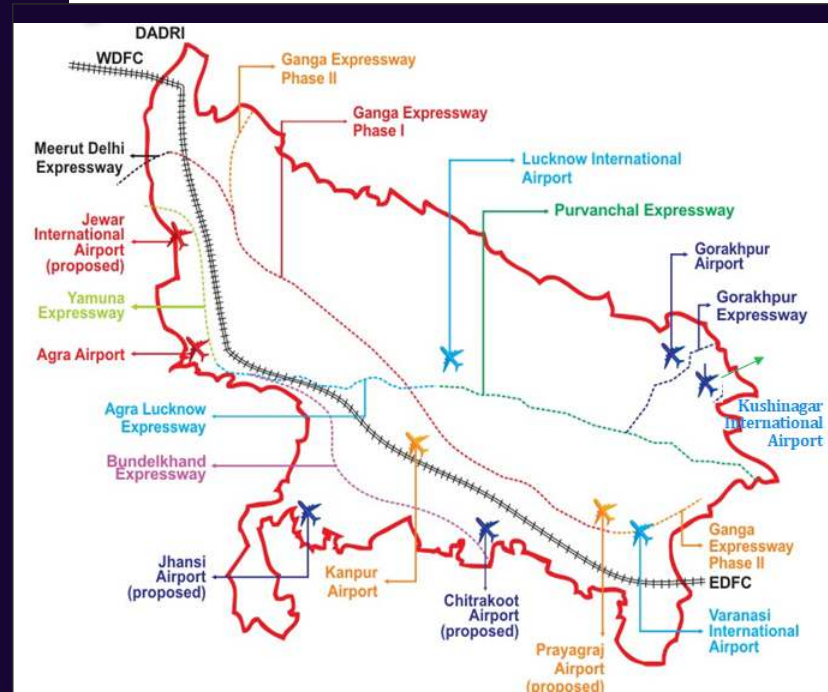

Effective collaboration with Union Govt.

- Effective utilisation of GoI schemes and policies
- Fast track implementation of GoI schemes and infrastructure projects

Destination Uttar Pradesh

Robust Infrastructure

- ❑ **Major catchment area of Eastern & Western Dedicated Freight Corridors** falling in U.P. and intersecting at Dadri (Greater Noida)
- ❑ Uttar Pradesh has the largest railway network in India spanning over 10000 miles
- ❑ Uttar Pradesh boasts state of art expressways ensuring seamless connectivity
 - 13 Expressways (existing & upcoming)
- ❑ Only State to have 5 International airports
 - 3 existing & 2 upcoming at Jewar (G.Noida) and Ayodhya
- ❑ **7 airports made operational** under Regional Connectivity Scheme (RCS) for domestic connectivity, and another 8 airports in pipeline
- ❑ India's **first Inland Waterway** is operational in Uttar Pradesh (1,100 Km Haldia – Varanasi tract)
- ❑ India's first **"freight village"** spread over 100 acres at Varanasi coming up
- ❑ Logistics hubs emerging across UP: **MMLH Dadri, MMTH Boraki, MMT Varanasi**, etc

Destination Uttar Pradesh

Ease of Doing Business

Minimizing Regulatory Compliance Burden

- **Total 3773 compliances of 60+ departments have been reduced** as part of RCB 1 & RCB 2.0 initiative
- UP has **successfully minimized 100% selfidentified compliances** without any fail
- **Total 907 Acts/Regulations/Rules of 27 departments** have been abolished in Uttar Pradesh
- **Total 568 compliances have been decriminalized** through **providing compounding options** especially into Labour/legal metrology/Transport dept.

Abolition of Licenses/ Renewal Self Certification & Auto Renewals Merging of licenses

- **4 key licenses registrations (Trade License/Hotel/Travel agency/Professional Tax related License) have been abolished now**
- **More than 10 renewals under more than 7 depts. have been abolished for key licences** e.g., *Drug –Retail/wholesale/manufacturing, IT Dept for Mobile tower installation renewals; Commercial tax, Film Bandhu, Tourism dept and within Legal metrology dept. etc.*
- **More than 27 types of Renewals already allowed on Auto renewal basis** (within PCB/FSDA/Legal Metrology/Labour & Urban dept.)
- **More than 5 approvals are based on Self certification** (Within Consent to Establish & Operate-PCB/ Renewal of registered label approval in Excise/Labour dept. etc.)
- **Certain licenses have been merged in UP** e.g., *Brand and Label registration, Consent to Operate with Hazardous license in PCB*

Labour code reform

UP has successfully notified all 4 Labour Codes including Occupational, Safety & Health(OSH) Code in 2022 well before BRAP 2022 deadline

Destination Uttar Pradesh

Enabling Policy Framework

New Industrial Investment & Employment Promotion Policy 2022

Umbrella Policy providing attractive incentives to all industries irrespective of sector

More than 20 New/Amended Sector Specific Policies to attract investments

Food Processing	Start-up
Defence & Aerospace Manufacturing	EV Manufacturing Policy
Electronics Manufacturing	Solar Policy
Pharmaceutical	Bio Energy Policy
Handloom & Textile	Pvt. Industrial Park Scheme
Dairy	MSME Policy
Civil Aviation	Tourism Policy
Information Technology	Warehousing & Logistics
Data Centre	Film Policy
Maintenance, Repair & Overhaul	Poultry Development

Attractive incentives offered

- Land Rebate
- Capital Subsidy
- SGST Refund
- Capital Interest Subsidy
- Infrastructure Interest Subsidy
- Stamp Duty exemption
- Electricity Duty Exemption
- EPF reimbursement
- Transportation subsidy
- R&D incentives
- Skill Development Subsidy

Destination Uttar Pradesh

New Industrial Policy: Brief Overview

Industrial
Policy overhaul

Structural changes proposed in New Industrial Policy 2022
for a competitive incentives framework and supportive infrastructure

Key Highlights of the New Policy

New models (such as capital subsidy and PLI top up support) introduced in addition to Net SGST reimbursement to cover wider category of projects under fiscal incentives program

Capital subsidy option linked to unit performance and various boosters (ecosystem booster, employment booster and exports booster) to ensure optimal use of incentives budget and meet policy objectives

Longer investment period (up to 9 years), SGST reimbursement for longer period, wider scope of eligible fixed assets, specific coverage for applications pending under previous policy

Additional sectors (such as Circular Economy, Infrastructure projects, Green Hydrogen etc.) introduced

Implementation guideline and SOPs being made to ensure:

Minimal scope for interpretational issues

Address challenges faced by investr in the past schemes

Accommodate proposals for dynamic and evolving business structures

Sector Strengths: Opportunities

**Defence &
Aerospace**

**Civil Aviation
& MRO**

Infrastructure Projects**

Destination Uttar Pradesh Defence & Aerospace Sector

Upcoming
Defence Industrial Corridor
in Bundelkhand region
Planned on 5000 Ha. of land

6-Nodes viz. Agra, Aligarh, Kanpur, Lucknow, Jhansi & Chitrakoot
62 MoUs worth **Rs 8639 Crores** inked including Brahmos in Lucknow (200 acres) & Bharat Dynamics in Jhansi (183 acres)

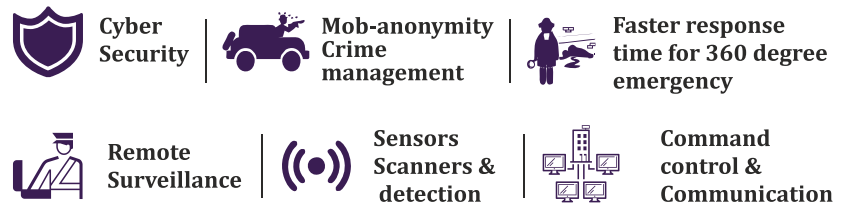

Attractive incentives under
Defence & Aerospace Policy 2019
(as amended in 2022)

OPPORTUNITIES

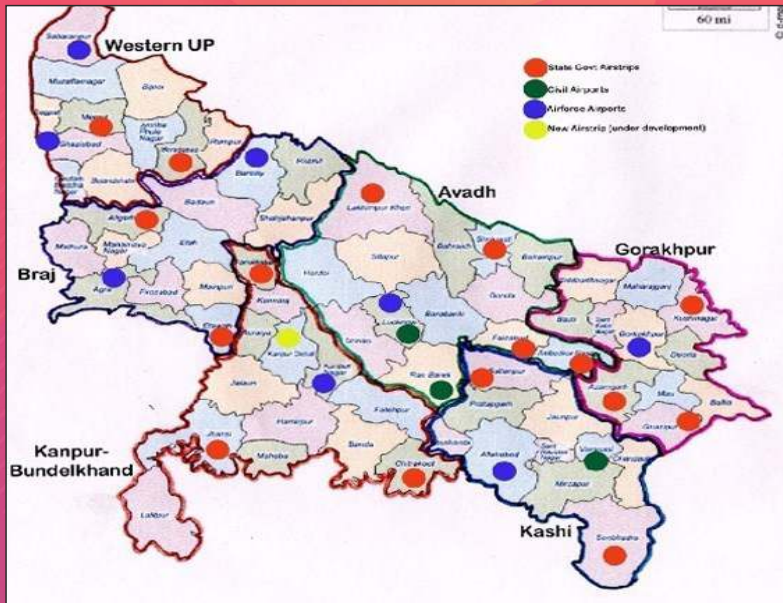

- 1546 ha+ of land acquired in Aligarh, Kanpur, Jhansi & Chitrakut
- Aligarh node of UPDIC inaugurated in September 2021 by Hon'ble Prime Minister Shri Narendra Modi

Homeland Security

R&D base:
IIT Kanpur (Tech. partner); DRDO,
ASERDC-HAL (Lucknow & Amethi)

Destination Uttar Pradesh Aviation and MRO Sector

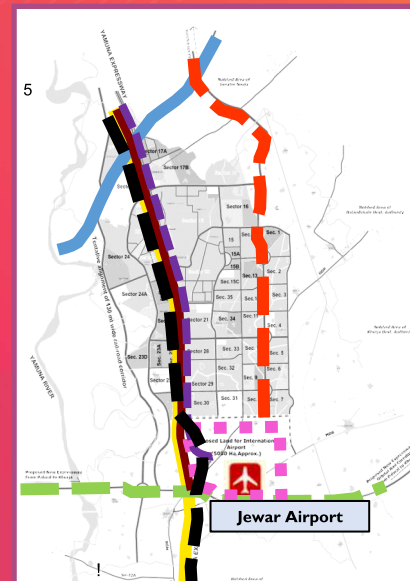

Policy Support

- Concessions under Regional Connectivity Scheme (RCS)
- Incentives for Maintenance, Repair & Overhaul (MRO) Units
- 10 airports/ airstrips operational; Airports proposed in 8 cities
- Only State to have 5 International Airports: 3 existing, 2 upcoming

Upcoming International Airport at Jewar (Greater Noida)

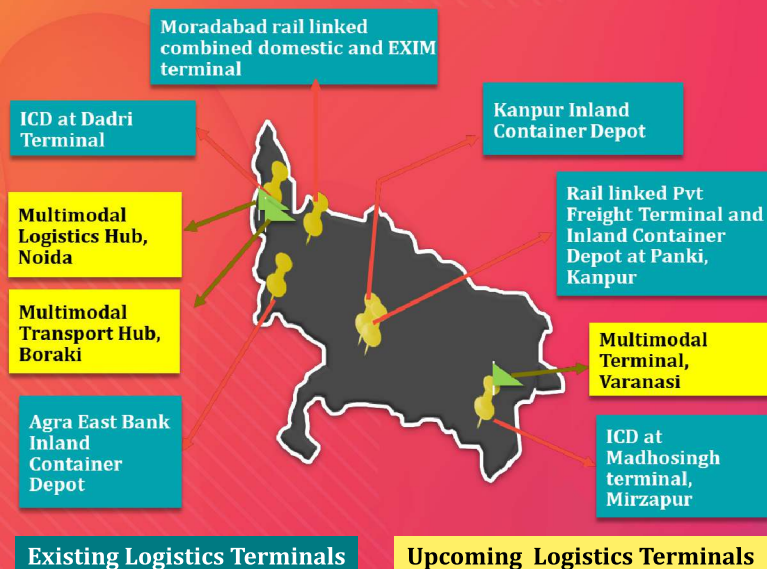

- Noida International Airport planned in 1334 Ha at Jewar, in Yeida notified area
- All Clearances & NOC's obtained for Noida International Airport (Jewar)
- Just 72 kms from IGI Airport in Delhi, well connected to Noida, Greater Noida and major tourist destination in & around Agra
- MRO & Cargo Hub planned along the airport

Destination Uttar Pradesh Logistics Sector

**National Waterway 1
(connecting Prayagraj to Haldia port)**

Inland Waterway

- ❑ **Haldia** - Varanasi tract (nearly 1,100km) of NW1 operational
- ❑ **Freight village** spread over 100 acres proposed at Varanasi

Multi Modal Terminal at Varanasi

- ❑ MMT Varanasi phase 1 is operational, having 0.54 million tons per annum of cargo handling capacity
- ❑ Various floating terminals are operational along the NW-1 at Ghazipur/ Rajghat, Ramnagar (Varanasi) and Prayagraj terminals

Muti Modal Logistics Hub at Dadri (G.Noida)- ~304 Ha

- ❑ Being developed in Dadri-Noida-Ghaziabad Investment Region (DNGIR)

Multi Modal Transport Hub at Boraki (G.Noida)- ~753Acre

- ❑ State-of-art railway terminus planned; supplemented by an Inter-state Bus Terminus (ISBT) & Mass Rapid Transit System (MRTS)

Attractive incentives under Warehousing & Logistics Policy viz. Industry Status, Higher Ground Coverage & FAR, Capital Subsidy, Exemption of Stamp Duty, Electricity Duty & Development charges **for development of Storage facilities, Logistics Park, Dry ports, Cargo Terminals & Berthing terminals**

Destination Uttar Pradesh

IT Sector

➤ Uttar Pradesh (UP), as India's largest labour market, is known as the IT Hub of North India

➤ State holds 6th position in software exports in India

➤ The state currently has operational IT parks in Noida, Meerut, Lucknow, Kanpur and Prayagraj. Another IT Park in Agra will shortly become operational. Three other parks are being developed in Varanasi, Bareilly, and Gorakhpur cities

➤ **IT City, Lucknow** : A SEZ developed by HCL Group with an investment of US\$ 78 Mn with a direct employment of 5900. It is based on the Walk to Work concept such that 60% of the total area i.e., to be used for IT &ITeS activities and the balance for commercial, residential, health and education

➤ Under the UP IT/ ITeS Policy 2017-22, the state received investment proposals of around US\$ 765 Mn with employment of ~53,000 people

IT Policy – Key Highlights

- 100% reimbursement of Electricity Duty for 10 years
- 5% Interest Subsidy for 7 years
- 100% Stamp Duty Exemption
- Reimbursement up to 25% of the land
- 100% reimbursement on Grant on EPF
- Units allowed for 3.0 + 1.0 (Purchasable) floor area ratio, 30% of total FAR in minimum 25 acre of land allowed for welfare facilities like dormitories
- 100% Reimbursement of Patent Filing Cost
- Incentive for certifications: Reimbursement of 3 certifications with a limit of INR 25 Lakhs

- ✓ Vision to make UP an attractive destination for global semiconductor units. Special benefits over and above GoI's benefits proposed under new electronics manufacturing policy
- ✓ Samsung Display Noida with an investment of US\$ 586 Mn. under the UPEMP 2020 made India 3rd country in the world to have an OLED display manufacturing unit
- ✓ Target to establish 3 Electronics Manufacturing Clusters (EMC) and 3 Centre of Excellence (CoEs) under Electronics Manufacturing Policy 2020

Key players

Electronics Policy - Key Incentives

- Capital subsidy @15% of FCI
- 5% Interest Subsidy
- 100% Stamp Duty Exemption
- Land Rebate @25% in Madhyanchal and Paschimanchal, @50% in Bundelkhand and Purvanchal
- 3.0 + 1.0 (Purchasable) floor area ratio (FAR),
- Patent Filing Cost reimbursement
- 50% exemption of Electricity Duty for 10 years
- Skill development and other assistance

Special incentives for Semiconductor units

- 50% additional Capital Subsidy on subsidy approved by GOI
- 75% subsidy on 1st 200 acres of land along with 30% subsidy on additional purchase of land for the unit or for the ancillary
- 100% Stamp duty exemption
- Power tariff as per industrial rates
- Electricity duty exemption for 20 years
- Dual power grid network to FAB units
- One-time capital subsidy for setting up ETP
- Subsidy for setting up Common Facility Centers (GoI's EMC 2.0 scheme)
- Further assistance on Case-to-Case basis for FAB units

Destination Uttar Pradesh Data Centre Sector

- ✓ With 1.16 billion mobile connections, 800 million internet users and average data consumption of 14GB per month as of October 2021, India is on a digital transformation journey
- ✓ Uttar Pradesh has the largest consumer base of India with 230 Mn. population and another 425 Mn. In nine neighbouring states.
- ✓ Through DC Policy 2021, state has registered around Rs. 50,000 crores in investments and will generate employment for ~10,000 people
- ✓ Achieved 650 MW Data Center Capacity through 6 Hyperscaler Data Center Parks of more than 50 MW and 1 Data Center Units which were approved under Data Center Policy 2021.
- ✓ NOIDA has emerged as Global data center hub
- ✓ Investors has also started establishing Edge Data Center's and DC unit's in other regions of Uttar Pradesh

Data Centre Policy – Key Highlights

- ✓ Capital Subsidy @7% up to INR 20 Crores on storage infrastructure
- ✓ Land subsidy @25% in Madhyanchal, Poorvanchal; @50% in Bundelkhand, Paschimanchal, up to INR 75 Crores
- ✓ Interest subsidy @60% for 7 years up to INR 50 Cr
- ✓ 100% Stamp duty exemption
- ✓ 100% Electricity Duty exemption for 10 years
- ✓ Dual Power Grid Supply
- ✓ Subsidy on Transmission & Wheeling charges

Destination Uttar Pradesh

Agro & Allied Sector

Sector Highlights

- State has highest national output in sugarcane, food grains, potato & wheat production
- UP hosts the major fruit belts with highest production of mango and Indian gooseberry
- State is highest contributor in milk production in India
- Strong existing ecosystem including Centre of Excellence, Research Centers, common facilities etc.
- Attractive fiscal incentives: Food Processing Policy, Poultry Policy, Dairy Farm & Product Promotion Policy

Production Centres

Investment Opportunities

Key players

Destination Uttar Pradesh Renewable Energy Sector

- India's commitment in Cop26 Summit in Glasgow include increase in India's renewable energy generation capacity to 500 GW
- Uttar Pradesh has capacity to produce 28 GW of renewable energy, including 22.38 GW capacity for solar energy
- State has total tied up capacity of 39,191 MW out of which 30,003 MW is currently operational and balance is likely to be commissioned in next 3-4 years.
- Vast opportunities in Waste to energy. Since UP is the largest producer of sugarcane and 2nd largest producer of rice in India, the by-product bagasse & rice husk form abundant biomass for bio fuel production
- 6 Solar Parks approved with a total capacity of 3600 MW; Grid connected Rooftop solar plants installed with a capacity of 259 MW

Green Energy corridor coming up Bundelkhand:

- State Govt to facilitate to evacuation of 4000 MW power capacity solar projects

Policy Support

- Solar Energy Policy 2022: Exemption of Stamp Duty, Electricity Duty, Concession of Banking & wheeling charges, etc.
- Bio Energy Policy 2022: Incentives for Compressed Bio gas plant, Bio Coal Production plant & Bio diesel production plant.

Key players

Destination Uttar Pradesh Electric Vehicle Sector

- Highest share of EV sales in 2021, with the number of units sold across all segments
- Largest beneficiary under FAME 1 & 2 schemes
- Enabling ecosystem under for EV and Battery manufacturing under UP EV Manufacturing & Mobility Policy 2022

3 PILLARS FOR EV ECOSYSTEM

Charging Infrastructure

Adoption

Manufacturing

KEY HIGHLIGHTS OF NEW EV POLICY

- Capital subsidy to service providers setting up public charging & swapping stations
- Charging stations – Land allotment on lease at revenue sharing model @ Rs 1 per kWh
- Purchase subsidy to promote adoption of 2W, 3W, 4W, e-buses & e-goods carrier
- Registration and road tax exemption for EV purchased & registered in UP
- Manufacturing incentives
 - Attractive package for integrated EV projects manufacturing EV, battery, component, R&D and testing facilities
 - Higher subsidies for battery manufacturing
 - Production linked incentives
 - Skill development subsidies
- Grant for setting up Centre of Excellence, upto INR 10 Crore each

Destination Uttar Pradesh

Pharma & Healthcare Sector

- 3-tier public healthcare infrastructure, comprising community health centers (CHCs), primary health centers (PHCs) & sub-centers (SCs)
- State has more than 17% market share of national pharma sales. Several pharmaceutical units operational, majority into formulation (Mostly located in Ghaziabad, Gautam Buddha Nagar, and Lucknow, Kanpur)
- Vibrant ecosystem with leading R&D centres and players (CSIR, NBRI, IITR, CIMAP, etc.)
- Medical Device Park coming up (100 acres) in G.Noida along Yamuna Expressway

Policy Support

To promote hospitals on PPP mode (unreserved)
Incentives for Pharma Industry

Education & Skill Development

Largest youth population in India; 56% of the
Population in Working Age Group

72 universities, ~6000 colleges, ~
4000 ITIs & Polytechnics

Premier academic institutes viz.
IIM Lucknow, IIT Kanpur, IIT BHU, IIIT Prayagraj,

Destination Uttar Pradesh Industrial Infrastructure Projects

Key investment zones

- **Dadri-Noida-Ghaziabad:** IITGNL (Greater Noida), Trans-signature City (Ghaziabad)
- **Aligarh-Etawah-Kanpur-Unnao:** Along Khurja-Bhaupur EDFC belt and Lucknow-Agra Expressway and logistics belt in Unnao
- **Meerut-Muzaffarnagar:** Along Delhi-Meerut Expressway and industrial hubs in the region
- **Yamuna Expressway:** Logistic Hub and Heritage City
- **Prayagraj-Varanasi-Mirzapur:** Along NW1, Purvanchal Expressway and eastern exporting clusters

Key industrial infrastructure projects

- **Defence Industrial Corridor** On 5,000 hectares of land along Agra-Aligarh-Lko-Kanpur-Jhansi-Chitrakut
- **Integrated Manufacturing Clusters** at Agra (1060acres) & Prayagraj (1139acres)
- **Medical Device Park** over 350 acres at GB Nagar
- **Integrated Township (IIT GNL)** at Greater Noida
- **Toy Park** (52 acres), **Apparel Park** (118 acres), **Handicraft Park** (40acres), **Logistics Hub** (Tappal-Bajna)
- **Mega Leather Park** Unnao: Country's 1st leather park, spread over 42 acres of land
- **Mega Food Park** at Bareilly (246acres); **Agro Park** at Varanasi (259acres); **Transganga City** Unnao(1149acres);
- **Flatted factories** at Lucknow, Kanpur, Agra, Ghaziabad, Gorakhpur & Aligarh

Investor Connect Framework

**Online Incentive
Management System (OIMS)**

**Nivesh Sarthi
(Investor Relationship Management System)**

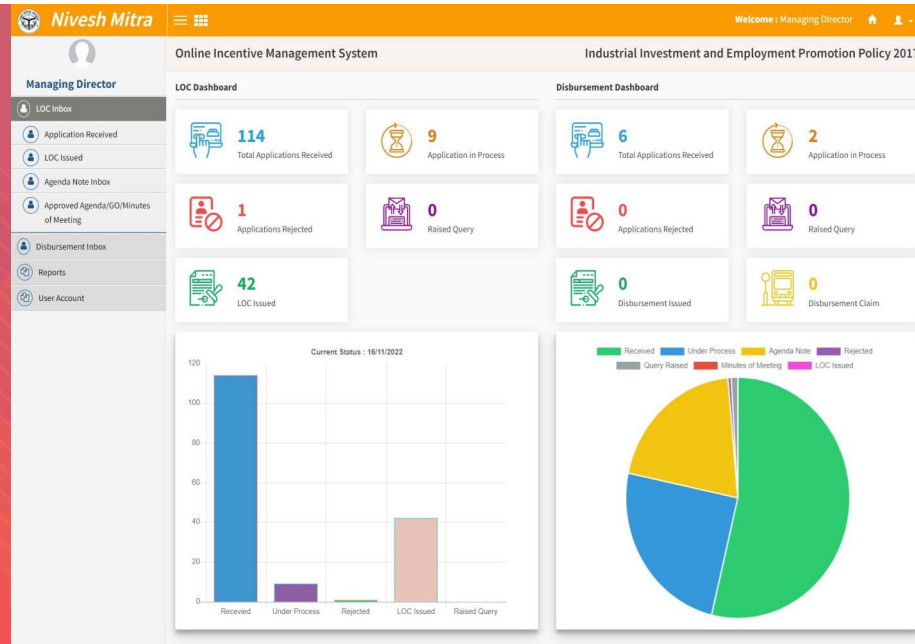

**Nivesh Mitra
(Single Window Clearance System)**

Global Investors Summit 2023

Online Incentive Management System

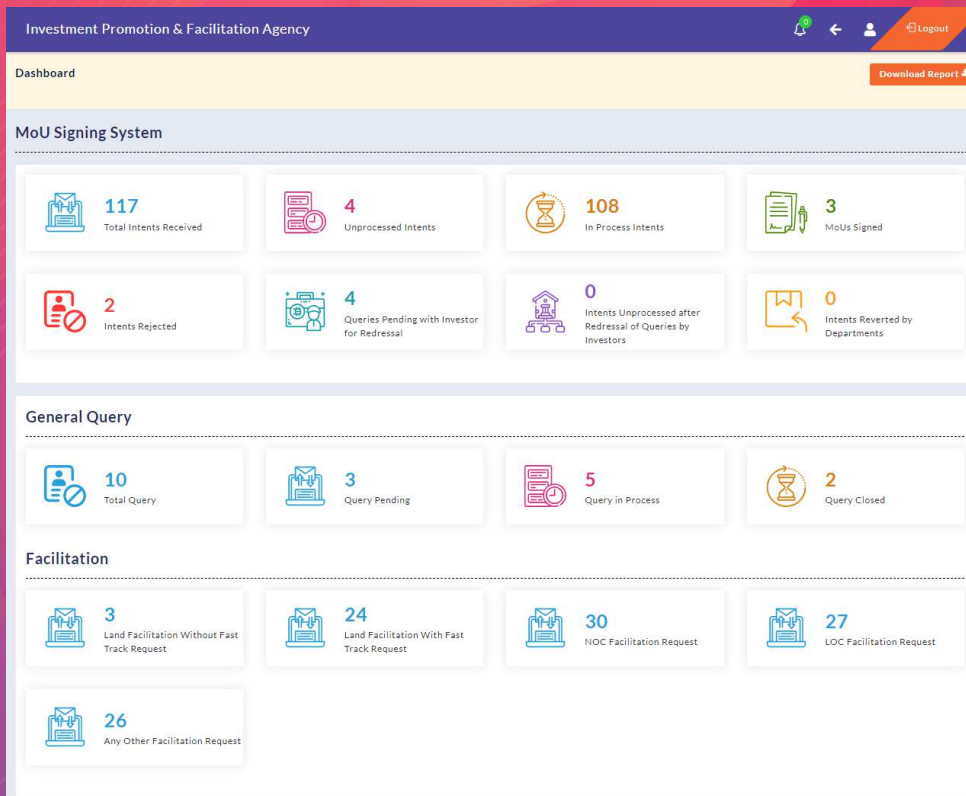

KEY FEATURES

- Online application filing, tracking and responding to department's queries
- Letter of Comfort (LoC) to be issued through portal
- Separate logins for officials of respective nodal agencies, administrative departments, concerned departments and senior GoUP officials
- Monitoring dashboards for nodal agencies, administrative departments, Chief Minister office and senior GoUP officials
- Uploading and forwarding agenda/appraisal notes for committee meetings by nodal agency/Department
- Uploading G.Os and approved Minutes of committee meetings by nodal department

Investor Relationship Management System : Nivesh Sarthi

KEY FEATURES

- Online intent filing and MoU Signing Process
- Digitally Signed MoUs will be available on investor login in ready to print format
- Query reporting and responding system to understand and timely dissemination of information to the investor
- Monitoring dashboards for nodal administrative departments, District Magistrates, CM office and senior GoUP officials
- Investor dashboard for showing entire engagement at one place
- Option of uploading and downloading documents as part of communication between investor and department.
