Dear Sir,

We would like to express our sincere thanks for the action taken by you on the subject issue.

We however fail to understand why Railway Board is not implementing the waiver of Security Deposit on safety items. Safety items may be 10% of the total procurement of the Indian Railways but it affects the large number of MSMEs. Moreover for such items quality can be ensured without the Security Money also.

We would therefore request you to take-up the matter strongly with Railway Board/Ministry of Railways directly or through Ministry of MSME.

Thanking You,

Yours Truly,
