Ref Regional Committee Meeting, EPFO held on 4-3-2011

Dear Sir,

At the outset, we congratulate you and your organization for the efforts taken in arranging the meeting. We appreciate you for sending the agenda and various reports beforehand which facilitated the discussions considerably. The achievements of your department as depicted in the reports are worth complimenting!

During the meeting, we had raised the issue of depositing of PF dues; it is our submission that besides SBI, other banks may also be authorized with online deposit facility. Timely issue of PF slips instills confidence in workers.

We recommend online filing of Returns as well. Moreover, the limitation period for keeping old records be fixed as in ESIC.

Difficulties faced by casual employees can be mitigated by issuing photo identity card with portability within country; this has to be first taken up at CBT meeting.

We assure you of our best cooperation by encouraging our members for compliance with EPF rules and regulations.

Thank you,
Yours faithfully,

G.C. Chaturvedi
