SUB: Introduction of Indian Industries Association an apex body of MSME.

Dear Sir,

Indian Industries Association an apex body of Micro, Small and Medium Enterprises was founded in 1985 with the objective to support MSME sector. Having its base in Uttar Pradesh, IIA have now completed 25 years of service to the MSME sector and we are celebrating our Silver Jubilee this year. Today, IIA is one of the biggest MSME Association in India having more than 7000 members through 46 chapters in Uttar Pradesh, Utrakhand, Punjab, Haryana, Delhi, Himanchal Pradesh, Gujrat and Tamil Nadu.

Recognizing the strengths and activities of IIA, President IIA Shri Anil Gupta was nominated as a member of the task force on MSME constituted by Hon'ble Prime Minister, Dr. Manmohan Singh. IIA is also a member of National Board for MSME.

Energy conservation, use of clean energy and environmental protection activities are on our top priorities. As such, we are promoting the use of Natural Gas by more and more industries. In this endeavour, we need your blessings and support. IIA delegation in the leadership of Shri Anil Gupta, President IIA would like to meet you and discuss availability of Natural Gas to Industries in selected Industrial cluster in Uttar Pradesh.

Kindly convey suitable date / time for the meeting.

Thanking you,

Your's faithfully,

D.S. Verma
Executive Director
