**Subject: Nomination of President, Indian Industries Association (IIA) as Member of the Central Board of Trustees of EPFO.**

Sir,

Indian Industries Association (IIA) is an apex representative body of MSME having more than 7000 member. IIA is a registered society and is operational for 23 years now. IIA is representing on 28 Boards/Councils/Committees at National and State Levels including National Board of Micro Small and Medium Enterprises. More details about IIA objectives and activities are available on our website: [www.iaonline.in](http://www.iaonline.in).

Since its inception IIA has been working closely with the Labour Ministry/Departments on number of policy issues and has been contributing useful informaltions/feed backs for the betterment of the workmen as well as MSME's. Recently we came to know about the constitution of Central Board of Trustees of EPFO wherein we did not find a true representative of Micro, Small and Medium Enterprises.

Being an apex representative body of MSME, we offer our Services as members of this apex board.

We hope you will consider the nomination of President IIA in the overall interest of the employees and employers in MSME Sector.

Thanking you,

Yours truly,

D.S. Verma  
Executive Director
