3. SECTION 192 OF THE INCOME-TAX ACT, 1961: BROAD SCHEME OF TAX DEDUCTION AT SOURCE FROM "SALARIES":

3.1 Method of Tax Calculation:

Every person who is responsible for paying any income chargeable under the head "Salaries" shall deduct income-tax on the estimated income of the assessee under the head "Salaries" for the financial year 2012-13. The income-tax is required to be calculated on the basis of the rates given above subject to provisions of section 206AA of the Act and shall be deducted at the time of each payment. No tax will, however, be required to be deducted at source in any case unless the estimated salary income including the value of perquisites, for the financial year exceeds Rs. 2,00,000/- or Rs.2,50,000/- or Rs.

5,00,000/-, as the case may be, depending upon the age of the employee. (Some typical examples of computation of tax are given at **Annexure-I**).

3.2 Payment of Tax on Non-monetary Perquisites by Employer:

An option has been given to the employer to pay the tax on non-monetary perquisites given to an employee. The employer may, at his option, make payment of the tax on such perquisites himself without making any TDS from the salary of the employee. The employer will have to pay such tax at the time when such tax was otherwise deductible *i.e.* at the time of payment of income chargeable under the head "salaries" to the employee.

3.3 Computation of Average Income Tax:

For the purpose of making the payment of tax mentioned in para 3.2 above, tax is to be determined at the average of income-tax computed on the basis of rate in force for the financial year, on the income chargeable under the head "salaries", including the value of perquisites for which tax has been paid by the employer himself.

ILLUSTRATION:

Suppose that the income chargeable under the head "salaries" of an employee below sixty years of age for the year inclusive of all perquisites is Rs. 4,50,000/-, out of which, Rs. 50,000/- is on account of non-monetary perquisites and the employer opts to pay the tax on such perquisites as per the provisions discussed in para 3.2 above.

STEPS:

Income Chargeable under the head "Salaries" inclusive of all perquisites	Rs. 4,50,000/-
Tax on Total Salaries(including Cess)	Rs. 25,750/-
Average Rate of Tax $[(25,750/4,50,000) \times 100]$	5.72%
Tax payable on Rs.50,000/= (5.72% of 50,000)	Rs. 2,861/-
Amount required to be deposited each month	Rs. 240 (Rs. 238.4) (=2061/12)

The tax so paid by the employer shall be deemed to be TDS made from the salary of the employee.

3.4 Salary From More Than One Employer:

Section 192(2) deals with situations where an individual is working under more than one employer or has changed from one employer to another. It provides for deduction of tax at source by such employer (as the taxpayer may choose) from the aggregate salary of the employee who is or has been in receipt of salary from more than one employer. The employee is now required to furnish to the present/chosen employer details of the income under the head "Salaries" due or received from the former/other employer and also tax deducted at source therefrom, in writing and duly verified by him and by the former/other employer. The present/ chosen employer will be required to deduct tax at source on the aggregate amount of salary (including salary received from the former or other employer).

3.5 Relief When Salary Paid in Arrear or Advance:

3.5.1 Under section 192(2A) where the assessee, being a Government servant or an employee in a company, co-operative society, local authority, university, institution, association or body is entitled to the relief under Section 89(1) he may furnish to the person responsible for making the payment referred to in Para (3.1), such particulars in Form No. 10E duly verified by him, and thereupon the person responsible, as aforesaid, shall compute the relief on the basis of such particulars and take the same into account in making the deduction under Para(3.1) above.

Here "University means a University established or incorporated by or under a Central, State or Provincial Act, and includes an institution declared under section 3 of the University Grants Commission Act, 1956(3 of 1956), to be University for the purposes of the Act.

3.5.2 With effect from 1-4-2010 (AY 2010-11), no such relief shall be granted in respect of any amount received or receivable by an assessee on his voluntary retirement or termination of his service, in accordance with any scheme or schemes of voluntary retirement or in the case of a public sector company referred to in section 10(10C)(i) (read with Rule 2BA), a scheme of voluntary separation, if an exemption in respect of any amount received or receivable on such voluntary retirement or termination of his service or voluntary separation has been claimed by the assessee under section 10 (10C) in respect of such, or any other, assessment year.

3.6 Income under any Other head: (i) Section 192(2B) enables a taxpayer to furnish particulars of income under any head other than "Salaries" (not being a loss under any such head other than the loss under the head " income from house property") received by the assessee for the same financial year and of any tax deducted at source thereon. Form no. 12C, which was earlier prescribed for furnishing such particulars, has since been omitted from the Rules by the Income Tax (24th amendment) Rules, 2003, w.e.f. 1-10-2003. However, the particulars may now be furnished in a simple statement, which is properly signed and verified by the taxpayer in the manner as prescribed under Rule 26B(2) of the Rules and shall be annexed to the simple statement. The form of verification is reproduced as under:

I, _____ (name of the assessee), do declare that what is stated above is true to the best of my information and belief.

(ii) Such income should not be a loss under any such head other than the loss under the head "Income from House Property" for the same financial year. DDO shall take such other income and tax deducted at source, if any, on such income and the loss, if any, under the head "Income from House Property" into account for the purpose of computing tax deductible in terms of section 192(2B) of the Act. However, this sub-section shall not in any case have the effect of reducing the tax deductible (except where the loss under the head "Income from House Property" has been taken into account) from income under the head "Salaries" below the amount that would be so deductible if the other income and the tax deducted thereon had not been taken into account'. In other words, the DDO can take into account any loss (negative income) only under the head "income from House Property" and no other head for working out the amount of total tax to be deducted.

(iii) Section 192(2C) lays down that a person responsible for paying any income chargeable under the head "salaries" shall furnish to the person to whom such payment is made a statement giving correct and complete particulars of perquisites or profits in lieu of salary provided to him and the value thereof in Form 12BA (**Annexure-II**). Form 12BA along with Form 16, as issued by the employer, are required to be produced on demand before the Assessing Officer in terms of Section 139C of the Act.

3.7 Computation of income under the head "Income from house property":

While taking into account the loss from House Property, the DDO shall ensure that the employee files the declaration referred to above and encloses therewith a computation of such loss from House Property. Following details shall be obtained and kept by the employer in respect of loss claimed under the head "Income from house property" separately for each house property:

- (a) Gross annual rent/value
- (b) Municipal Taxes paid, if any
- (c) Deduction claimed for interest paid, if any
- (d) Other deductions claimed
- (e) Address of the property
- (f) Amount of loan, if any; and
- (g) Name and address of the lender (loan provider)

3.7.1 Conditions for Claim of Deduction of Interest on Borrowed Capital for Computation of Income From House Property Section 24(b):

Section 24(b) of the Act allows deduction from income from house property on interest on borrowed capital as under:-

- (i) the deduction is allowed only in case of house property which is owned and in the occupation of the employee for his own residence. However, if it is not actually occupied by the employee in view of his place of the employment being at other place, his residence in that other place should not be in a building belonging to him.
- (ii) The quantum of deduction allowed as per table below:

<i>Sl. No</i>	<i>Purpose of borrowing capital</i>	<i>Date of borrowing capital</i>	<i>Maximum Deduction allowable</i>
1	Repair or renewal or reconstruction of the house	Any time	Rs. 30,000/-
2	Acquisition or construction of the house	Before 01.04.1999	Rs. 30,000/-
3	Acquisition or construction of the house	On or after 01.04.1999	Rs. 1,50,000/-

In case of Serial No. 3 above

- (a) The house so acquired or constructed should be completed within 3 years from the end of the FY in which the capital was borrowed. Hence it is necessary for the DDO to have the completion certificate of the house property against which deduction is claimed either from the builder or through self-declaration from the employee.
- (b) Further any prior period interest for the FYs up to the FY in which the property was acquired and constructed shall be deducted in equal instalments for the FY in question and subsequent four FYs.

- (c) The employee has to furnish before the DDO a certificate from the person to whom any interest is payable on the borrowed capital specifying the amount of interest payable. In case a new loan is taken to repay the earlier loan, then the certificate should also show the comprehensive picture of Principal and Interest of the loan so repaid.

3.8 Adjustment for Excess or Shortfall of Deduction:

The provisions of Section 192(3) allow the deductor to make adjustments for any excess or shortfall in the deduction of tax already made during the financial year, in subsequent deductions for that employee within that financial year itself.

3.9 Salary Paid in Foreign Currency:

For the purposes of deduction of tax on salary payable in foreign currency, the value in rupees of such salary shall be calculated at the "Telegraphic transfer buying rate" of such currency as on the date on which tax is required to be deducted at source(see Rule 26).

4. PERSONS RESPONSIBLE FOR DEDUCTING TAX AND THEIR DUTIES:

4.1 Section 204 (i) of the Act the "persons responsible for paying" for the purpose of Section 192 means the employer himself or if the employer is a Company, the Company itself including the Principal Officer thereof. Further, as per Section 204(iv), in the case of credit, or as the case may be, if the payment is by or on behalf of Central Government or State Government, the DDO or any other person by whatever name called, responsible for crediting, or as the case may be, paying such sum is the "persons responsible for paying".

4.2 The tax determined as per para 8 should be deducted from the salary u/s 192 of the Act.

4.3. Deduction of Tax at Lower Rate:

If the jurisdictional TDS officer of the Taxpayer issues a certificate of No Deduction or Low Deduction of Tax under section 197 of the Income Tax Act, subsequent to the application filed before him in Form No 13 by the Taxpayer; then the DDO should take into account such certificate and deduct tax on the salary payable at the rates mentioned therein. (see Rule 28AA).

4.4. Deposit of Tax Deducted:

Rule 30 prescribes time and mode of payment of tax deducted at source to the account of Central Government.

4.4.1. Prescribed time of payment/deposit of TDS made to the credit of Central Government account is as under:

(a) In case of an Office of Government:

<i>Sl. No.</i>	<i>Description</i>	<i>Time up to which to be deposited.</i>

4.4.2 Mode of Payment of TDS

4.4.2.1 Payment by Book Entry:

In the case of an office of the Government, where tax has been paid to the credit of the Central Government without the production of a challan [Book Entry], the Pay and Accounts Officer or the Treasury Officer or the Cheque Drawing and Disbursing Officer or any other person by whatever name called to whom the deductor reports the tax so deducted and who is responsible for crediting such sum to the credit of the Central Government, shall-

- (a) submit a statement in Form No. 24G within ten days from the end of the month to the agency authorized by the Director General of Income-tax (Systems) [TIN Facilitation Centres currently managed by M/s National Securities Depository Ltd.] in respect of tax deducted by the deductors and reported to him for that month; and
- (b) intimate the number (hereinafter referred to as the Book Identification Number or BIN) generated by the agency to each of the deductors in respect of whom the sum deducted has been credited. BIN consist of receipt number of Form 24G, DDO sequence number and date on which tax is deposited.

The procedure of furnishing Form 24G is detailed in Annexure IV. PAOs/DDOs should go through the FAQs therein to understand the correct process to be followed.

4.4.2.2 Payment by an Income Tax Challan:

- (i) In such a case the amount of tax so deducted shall be deposited to the credit of the Central Government by remitting it within the time specified in Table 4.4.1 above into any branch of the Reserve Bank of India or of the State Bank of India or of any authorized bank;

- (ii) In case of a company and a person (other than a company), to whom provisions of section 44AB are applicable, the amount deducted shall be electronically remitted into the Reserve Bank of India or the State Bank of India or any authorised bank accompanied by an electronic income-tax challan.

The amount shall be *construed as electronically remitted* to the Reserve Bank of India or to the State Bank of India or to any authorized bank, if the amount is remitted by way of:

- (a) internet banking facility of the Reserve Bank of India or of the State Bank of India or of any authorized bank; or
- (b) debit card (Notification No.41/2010, dated 31st May, 2010)

4.5 Interest, Fee, Penalty & Prosecution for Failure to Deposit Tax Deducted:

If a person fails to deduct the whole or any part of the tax at source, or, after deducting, fails to pay the whole or any part of the tax to the credit of the Central Government within the prescribed time as under:

4.5.1 He shall be liable to action in accordance with the provisions of section 201. Section 201(1A) lays down that such person shall be liable to pay simple interest

- (i) at 1% for every month or part of the month on the amount of such tax from the date on which such tax was deductible to the date on which such tax is deducted and
- (ii) at one and one-half per cent for every month or part of a month on the amount of such tax from the date on which such tax was deducted to the date on which such tax is actually paid.

Such interest, if chargeable, is mandatory in nature and has to be paid before furnishing of quarterly statement of TDS for respective quarter.

4.5.2 Section 271C lays down that if any person fails to deduct whole or any part of tax at source or fails to pay the whole or part of tax deducted, he shall be liable to pay, by way of penalty, a sum equal to the amount of tax not deducted or paid by him.

4.5.3 Further, section 276B lays down that if a person fails to pay to the credit of the Central Government within the prescribed time, as above, the tax deducted at source by him, he shall be punishable with rigorous imprisonment for a term which shall be between 3 months and 7 years, along fine.

4.6 Furnishing of Certificate for Tax Deducted (Section 203):

4.6.1 Section 203 requires the DDO to furnish to the employee a certificate in Form 16 detailing the amount of TDS and certain other particulars. The Act stipulates that the Form 16 should be furnished to the employee by 31st May after the end of the financial year in which the income was paid and tax deducted. Even the banks deducting tax at the time of payment of pension are required to issue such certificates. Revised Form 16 annexed to Notification dated 31-5-2010 is enclosed. The certificate in Form 16 shall specify

- (a) Valid permanent account number (PAN) of the deductee;
- (b) Valid tax deduction and collection account number (TAN) of the deductor;

- (c) (i) Book identification number or numbers (BIN) where deposit of tax deducted is without production of challan in case of an office of the Government;
- (ii) Challan identification number or numbers (CIN*) in case of payment through bank.
- (d) Receipt numbers of all the relevant quarterly statements in case the statement referred to in clause (i) is for tax deducted at source from income chargeable under the head "Salaries". The receipt number of the quarterly statement is of 8 digit.

It may be noted that under the new TDS procedure, the accuracy and availability of TAN, PAN and receipt number of TDS statement filed by the deductor will be unique identifier for granting online credit for TDS. Hence due care should be taken in filling these particulars.

Due care should be also be taken in indicating correct CIN/ BIN in TDS certificate.

If the DDO fails to issue these certificates to the person concerned, as required by section 203, he will be liable to pay, by way of penalty, under section 272A(2)(g), a sum which shall be Rs. 100/-for every day during which the failure continues.

It is, however, clarified that there is no obligation to issue the TDS certificate in case tax at source is not deductible/deducted by virtue of claims of exemptions and deductions.

4.6.2 If an assessee is employed by more than one employer during the year, each of the employers shall issue Part A of the certificate in Form No. 16 pertaining to the period for which such assessee was employed with each of the employers and Part B may be issued by each of the employers or the last employer at the option of the assessee.

4.6.3 The employer may issue a duplicate certificate in Form No. 16 if the deductee has lost the original certificate so issued and makes a request for issuance of a duplicate certificate and such duplicate certificate is certified as duplicate by the deductor.

4.6.4. Authentication by Digital Signatures:

- (i) Where a certificate is to be furnished in Form No. 16, the deductor may, at his option, use digital signatures** to authenticate such certificates.
- (ii) In case of certificates issued under clause (i), the deductor shall ensure that
- (a) the conditions prescribed in para 4.6.1 above are complied with;
 - (b) once the certificate is digitally signed, the contents of the certificates are not amenable to change; and
 - (c) the certificates have a control number and a log of such certificates is maintained by the deductor.

Challan identification number (CIN) means the number comprising the Basic Statistical Returns (BSR) Code of the Bank branch where the tax has been deposited, the date on which the tax has been deposited and challan serial number given by the bank.

- The digital signature is being used to authenticate most of the e-transactions on the internet as transmission of information using digital signature is failsafe. It saves time specially in

organisations having large number of employees where issuance of certificate of deduction of tax with manual signature is time consuming (Circular no. 2 of 2007, dated 21-5-2007)

4.6.5. Furnishing of particulars pertaining to perquisites, etc (Section 192(2C)):

4.6.5.1 As per section 192(2C), the responsibility of providing correct and complete particulars of perquisites or profits in lieu of salary given to an employee is placed on the person responsible for paying such income i.e., the person responsible for deducting tax at source. The form and manner of such particulars are prescribed in Rule 26A, Form 12BA and Form 16 of the Rules. Information relating to the nature and value of perquisites is to be provided by the employer in Form 12BA in case salary paid or payable is above Rs.2,00,000/-. In other cases, the information would have to be provided by the employer in Form 16 itself.

4.6.5.2 An employer, who has paid the tax on perquisites on behalf of the employee as per the provisions discussed in paras 3.2 and 3.3 of this circular, shall furnish to the employee concerned, a certificate to the effect that tax has been paid to the Central Government and specify the amount so paid, the rate at which tax has been paid and certain other particulars in the amended Form 16.

4.6.5.3 The obligation cast on the employer under Section 192(2C) for furnishing a statement showing the value of perquisites provided to the employee is a crucial responsibility of the employer, which is expected to be discharged in accordance with law and rules of valuation framed there under. Any false information, fabricated documentation or suppression of requisite information will entail consequences thereof provided under the law. The certificates in Forms 16 and/or Rule 12BA specified above, shall be furnished to the employee by 31st May of the financial year immediately following the financial year in which the income was paid and tax deducted. If he fails to issue these certificates to the person concerned, as required by section 192(2C), he will be liable to pay, by way of penalty, under section 272A(2)(i), a sum which shall be Rs. 100/- for every day during which the failure continues.

4.7 Mandatory Quoting of PAN and TAN:

4.7.1 Section 203A of the Act makes it obligatory for all persons responsible for deducting tax at source to obtain and quote the Tax-deduction Account No (TAN) in the challans, TDS- certificates, statements and other documents. Detailed instructions in this regard are available in this Department's Circular No.497 [F.No.275/118/87-IT(B), dated 9-10-1987]. If a person fails to comply with the provisions of section 203A, he will be liable to pay, by way of penalty, under section 272BB, a sum of ten thousand rupees. Similarly, as per Section 139A(5B), it is obligatory for persons deducting tax at source to quote PAN of the persons from whose income-tax has been deducted in the statement furnished u/s 192(2C), certificates furnished u/s 203 and all returns prepared and delivered as per the provisions of section 200(3) of the Act.

4.7.2 All tax deductors are required to file the TDS returns in Form No.24Q (for tax deducted from salaries). As the requirement of filing TDS/TCS certificates, by the employee along with the return of income, has been done away with, the lack of PAN of deductees is creating difficulties in giving credit for the tax deducted. Tax deductors and tax collectors are, therefore, advised to quote correct PAN details of all deductees in the TDS returns for salaries in Form 24Q. Taxpayers liable to TDS are also advised to furnish their correct PAN with their deductors. It may be noted that non-furnishing of PAN by the deductee (employee) to the deductor (employer) will result in deduction of TDS at higher rates u/s 206AA of the Act mentioned in para 4.8 below.

4.8 Compulsory Requirement to furnish PAN by employee (Section 206AA):

4.8.1 Section 206AA in the Act makes furnishing of PAN by the employee compulsory in case of receipt of any sum or income or amount, on which tax is deductible. If employee (deductee) fails to furnish his/her PAN to the deductor, the deductor has been made responsible to make TDS at higher of the following rates:

- (i) at the rate specified in the relevant provision of this Act; or
- (ii) at the rate or rates in force; or
- (iii) at the rate of twenty per cent.

The deductor has to determine the tax amount in all the three conditions and apply the higher rate of TDS. However, where the income of the employee computed for TDS u/s 192 is below taxable limit, no tax will be deducted. But where the income of the employee computed for TDS u/s 192 is above taxable limit, the deductor will calculate the average rate of income-tax based on rates in force as provided in sec 192. If the tax so calculated is below 20%, deduction of tax will be made at the rate of 20% and in case the average rate exceeds 20%, tax is to be deducted at the average rate. Education cess @ 2% and Secondary and Higher Education Cess @ 1% is not to be deducted, in case the TDS is deducted at 20% u/s 206AA of the Act.

4.9 Statement of deduction of tax under section 200(3) [Quarterly Statement of TDS]:

4.9.1. The person deducting the tax (employer in case of salary income), is required to file duly verified Quarterly Statements of TDS in Form 24Q for the periods [details in Table below] of each financial year, to the Director General of Income Tax (Systems), ARA centre, Jhandewalan Extn., New Delhi or TIN/facilitation Centres authorized by DGIT (System's) which is currently managed by M/s National Securities Depository Ltd. (NSDL). The requirement of filing an annual return of TDS has been done away with w.e.f. 1-4-2006. The quarterly statement for the last quarter filed in Form 24Q (as amended by Notification No. S.O.704(E), dated 12-5-2006) shall be treated as the annual return of TDS. Due dates of filing this statement quarterwise is as in the Table below.

Since then it has been opened to employees of State Governments, Private Sector and Self Employed. The income received by the NPS trust is exempt. The NPS trust is exempted from the Dividend Distribution Tax and is also exempted from the Securities Transaction Tax on all purchases and sales of equities and derivatives. The NPS trust will also receive income without tax deduction at source. The above amendments are retrospectively effective from 1-4-2009 (AY 2009-10) onwards.

4.12.2 In respect of non-residents, the salary paid for services rendered in India shall be regarded as income earned in India. It has been specifically provided in the Act that any salary payable for rest period or leave period which is both preceded or succeeded by service in India and forms part of the service contract of employment will also be regarded as income earned in India.

5. Computation of Income Under the Head "Salaries"

5.1 Income chargeable under the head "Salaries":

(1) The following income shall be chargeable to income-tax under the head "Salaries" :

- (a) any salary due from an employer or a former employer to an assessee in the previous year, whether paid or not;
- (b) any salary paid or allowed to him in the previous year by or on behalf of an employer or a former employer though not due or before it became due to him.
- (c) any arrears of salary paid or allowed to him in the previous year by or on behalf of an employer or a former employer, if not charged to income-tax for any earlier previous year.

(2) For the removal of doubts, it is clarified that where any salary paid in advance is included in the total income of any person for any previous year it shall not be included again in the total income of the person when the salary becomes due.

Any salary, bonus, commission or remuneration, by whatever name called, due to, or received by, a partner of a firm from the firm shall not be regarded as "Salary".

5.2 Definition of "Salary", "perquisite" and "profit in lieu of salary" (Section 17):

5.2.1 "Salary" includes:-

- i. wages, fees, commissions, perquisites, profits in lieu of, or, in addition to salary, advance of salary, annuity or pension, gratuity, payments in respect of encashment of leave etc.

It may be noted that, since salary includes pensions and tax at source would have to be deducted from pension also, if otherwise called for. However, no tax is required to be deducted from the commuted portion of pension to the extent exempt under section 10 (10A).

Family Pension is chargeable to tax under head 'income from other sources' and not under the head 'salary'. Therefore, provisions of section 192 of the Act are not applicable.

5.2.2 Perquisite includes:

- I. The value of rent free accommodation provided to the employee by his employer;
- II. The value of any concession in the matter of rent in respect of any accommodation provided to the employee by his employer;

With effect from 1-4-2010 (AY 2010-11) it is further clarified that the value of any specified security or sweat equity shares allotted or transferred, directly or indirectly, by the employer, or former employer, free of cost or at concessional rate to the assessee, shall constitute a perquisite in the hand of employees.

Here

- (a) "specified security" means the securities as defined in section 2(h) of the Securities Contracts (Regulation) Act, 1956 (42 of 1956) and, where employees' stock option has been granted under any plan or scheme therefore, includes the securities offered under such plan or scheme;
- (b) "sweat equity shares" means equity shares issued by a company to its employees or directors at a discount or for consideration other than cash for providing know-how or making available rights in the nature of intellectual property rights or value additions, by whatever name called;

- (e) "option" means a right but not an obligation granted to an employee to apply for the specified security or sweat equity shares at a predetermined price;

VII. The amount of any contribution to an approved superannuation fund by the employer in respect of the assessee, to the extent it exceeds one lakh rupees; and

VIII The value of any other fringe benefit or amenity as may be prescribed.

5.2.2A Rules for valuation of perquisite are as under : -

5.2.2A.1 Non-Monetary perquisites: Non-monetary benefits are those that are not provided by way of monetary payments to the employees

I. Residential Accommodation provided by the employer:-

"Accommodation" includes a house, flat, farm house, hotel accommodation, motel, service apartment, guest house, a caravan, mobile home, ship etc.

A. Valuation of the perquisite of rent free unfurnished accommodation, all employees are divided into two categories:

- (i) For employees of the Central and State Governments the value of perquisite shall be equal to the licence fee charged for such accommodation as reduced by the rent actually paid by the employee.
- (ii) For all others, *i.e.*, those salaried taxpayers not in employment of the Central Government and the State Government, the valuation of perquisite in respect of accommodation would be at prescribed rates, as discussed below:

(a) Where the accommodation provided to the employee is owned by the employer:

<i>Sl No .</i>	<i>Cities having population as per the 2001 census</i>	<i>Perquisite</i>
1	Exceeds 25 lakh	15% of salary
2	Exceeds 10 lakhs but does not exceed 25 lakhs	10% of salary
3	For other places	7.5 % of salary

(b) Where the accommodation so provided is taken on lease/ rent by the employer:

The prescribed rate is 15% of the salary or the actual amount of lease rental payable by the employer, whichever is lower, as reduced by any amount of rent paid by the employee. Meaning of 'Salary 'for the purpose of calculation of perquisite in respect of Residential Accommodation :

- a. Basic Salary;
- b. Dearness Allowance, if terms of employment so provide ;
- c. Bonus ;
- d. Commission ;
- e. Fees ;
- f. All other taxable allowances (excluding the portion not taxable); and
- g. Any monetary payment which is chargeable to tax (by whatever name called).

Further, Salary should be calculated on 'accrual' basis. Advance salary shall not be taken into consideration for this purpose. Salary from all employers shall be taken into consideration in respect of the period during which an accommodation is provided. Where on account of the transfer of an employee from one place to another, he is provided with accommodation at the new place of posting while retaining the accommodation at the other place, the value of perquisite shall be determined with reference to only one such accommodation which has the lower value for a period not exceeding 90 days and thereafter the value of perquisite shall be charged for both such accommodation.

B Valuation of the perquisite of furnished accommodation, the value of perquisite as determined by the above method (in A) shall be increased by-

- (i) 10%o of the cost of furniture, appliances and equipments, or
- (ii) where the furniture, appliances and equipments have been taken on hire, by the amount of actual hire charges payable as reduced by any charges paid by the employee himself.

It is added that where the accommodation is provided by the Central Government or any State Government to an employee who is serving on deputation with anybody or undertaking under the control of such Government,-

- (i) the employer of such an employee shall be deemed to be that body or undertaking where the employee is serving on deputation; and
- (ii) the value of perquisite of such an accommodation shall be the amount calculated in accordance with Table in (ii)(a) above, as if the accommodation is owned by the employer.

C. Furnished Accommodation in a Hotel: The value of perquisite shall be determined on the basis of lower of the following two:

1. 24% of salary paid or payable in respect of period during which the accommodation is provided.
2. Actual charges paid or payable by the employer to such hotel.

for the period during which such accommodation is provided as reduced by any rent actually paid or payable by the employee.

However, nothing in C shall be taxable if following two conditions are satisfied :

1. The hotel accommodation is provided for total period not exceeding in aggregate 15 days in a previous year.
2. Such accommodation is provided on an employee's transfer from one place to another place.

It may be clarified that while services provided as an integral part of the accommodation, need not be valued separately as perquisite, any other services over and above that for which the employer makes payment or reimburses the employee shall be valued as a perquisite as per the residual clause. In other words, composite tariff for accommodation will be valued as per the Rules and any other charges for other facilities provided by the hotel will be separately valued under the residual clause.

D. If on account of an employee's transfer from one place to another, the employee is provided with accommodation at the new place of posting while retaining the accommodation at the other place, the value of perquisite shall be determined with reference to only one such accommodation which has the lower value as per the table prescribed in Rule 3 of the Rules, for a period up to 90 days. However, after that the value of perquisite shall be charged for both accommodations as prescribed.

E. However, the value of any accommodation provided to an employee working at a mining site or an on-shore oil exploration site or a project execution site or a dam site or a power generation site or an off-shore site will not be treated as a perquisite if:

- (i) such accommodation should either be located in a "remote area" or
- (ii) where it is not located in a "remote area", the accommodation should be of a temporary nature having plinth area of not more than 800 square feet and should not be located within 8 kilometers of the local limits of any municipality or cantonment board.

A project execution site here means a site of project up to the stage of its commissioning. A "remote area" means an area located at least 40 kilometers away from a town having a population not exceeding 20,000 as per the latest published all-India census.

II Personal attendants etc.: The value of free service of all personal attendants including a sweeper, gardener and a watchman is to be taken at actual cost to the employer. Where the attendant is provided at the residence of the employee, full cost will be taxed as perquisite in the hands of the employee irrespective of the degree of personal service rendered to him. Any amount paid by the employee for such facilities or services shall be reduced from the above amount.

III Gas, electricity & water: Value of perquisite shall be determined at the amount paid or payable by the employer as reduced by the amount recovered if any, from the employee. It is taxable in the hands of all employees (whether specified or not) provided that the Water supply or electric connection is in the name of the employee and expenses are reimbursed by the employer. If, however, the Water supply or electric connection is in the name of the employer and the expenses are borne by the employer, perquisite is taxable only in the hands of specified employees.

Meaning of 'Specified Employee' :

1. Director Employee.
2. An employee having substantial interest (Beneficial owner of equity shares carrying 20% or more voting power).
3. An employee whose income chargeable under the head 'Salaries' (exclusive of the value of all benefits or amenities not provided by way of monetary payments) exceeds Rs.50,000/-.

Where the supply is made from the employer's own resources, the manufacturing cost per unit incurred by the employer would be taken for the valuation of perquisite. Any amount paid by the employee for such facilities or services shall be reduced from the above amount.

IV Free or concessional education: Perquisite on account of free or concessional education shall be valued in a manner assuming that such expenses are borne by the employee, and would cover cases where an employer is running, maintaining or directly or indirectly financing the educational institution. Any amount paid by the employee for such facilities or services shall be reduced from the above amount. However, where such educational institution itself is maintained and owned by the employer or where such free educational facilities are provided in any institution by reason of his being in employment of that employer, the value of the perquisite to the employee shall be determined with reference to the cost of such education in a similar institution in or near the locality if the cost of such education or such benefit per child exceeds Rs.1000/- p.m.

V Interest free or concessional loans: It is common practice, particularly in financial institutions, to provide interest free or concessional loans to employees or any member of his household. The value of perquisite arising from such loans would be the excess of interest payable at prescribed interest rate over interest, if any, actually paid by the employee or any member of his household. The prescribed interest rate would now be the rate charged per annum by the State Bank of India as on the 1st day of the relevant financial year in respect of loans of same type and for the same purpose advanced by it to the general public. Perquisite value would be calculated on the basis of the maximum outstanding monthly balance method. For valuing perquisites under this rule, any other method of calculation and adjustment otherwise adopted by the employer shall not be relevant.

However, small loans up to Rs. 20,000/- in the aggregate are exempt. Loans for medical treatment specified in Rule 3A are also exempt, provided the amount of loan for medical reimbursement is not reimbursed under any medical insurance scheme. Where any medical insurance reimbursement is received, the perquisite value at the prescribed rate shall be charged from the date of reimbursement

on the amount reimbursed, but not repaid against the outstanding loan taken specifically for this purpose.

VI Use of assets: It is common practice for an asset owned by the employer to be used by the employee or any member of his household. This perquisite is to be charged at the rate of 10% of the original cost of the asset as reduced by any charges recovered from the employee for such use. However, the use of Computers and Laptops would not give rise to any perquisite.

VII Transfer of assets: Often an employee or member of his household benefits from the transfer of movable asset (not being shares or securities) at no cost or at a cost less than its market value from the employer. The difference between the original cost of the movable asset (not being shares or securities) and the sum, if any, paid by the employee, shall be taken as the value of perquisite. In case of a movable asset, which has already been put to use, the original cost shall be reduced by a sum of 10% of such original cost for every completed year of use of the asset. Owing to a higher degree of obsolescence, in case of computers and electronic gadgets, however, the value of perquisite shall be worked out by reducing 50% of the actual cost by the reducing balance method for each completed year of use. Electronic gadgets in this case means data storage and handling devices like computer, digital diaries and printers. They do not include household appliance (i.e. white goods) like washing machines, microwave ovens, mixers, hot plates, ovens etc. Similarly, in case of cars, the value of perquisite shall be worked out by reducing 20% of its actual cost by the reducing balance method for each completed year of use.

VIII Membership fees and Annual Fees Credit Card: Any membership fees and annual fees incurred by the employee (or any member of his household), which is charged to credit card (including any add-on card) is taxable on the following basis:

Less : Expenditure on use for official purposes	XXX

(2) The initial one-time deposits or fees for corporate or institutional membership, where benefit does not remain with a particular employee after cessation of employment are exempt. Initial fees / deposits, in such case, is not included.

IXA Value of Subsidized / Free Lunch provided by employer to an employee:

Value of taxable perquisite is calculated as under:

Expenditure incurred by the employer on the value of food /non-alcoholic including paid vouchers which are not transferable and usable only at eating joints	XXX
Less: Fixed value of a sum of Rs. 50/- per meal	XXX
Less: Amount recovered from the employee	XXX XXX

Note : Exemption is given in following situations :

2. Food & non-alcoholic beverages provided in working hours in remote area or in an offshore installation.

X Holiday Facility maintained by employer:

5.2.2A.2 Monetary perquisites:

XI Vehicle Maintenance reimbursement:

- (a) Use of any vehicle provided by the employer to an employee for journey by him from his residence to office or from office to his residence shall not be chargeable to tax.

Section 10(14) includes only those allowances which are not in the nature of perquisite within the meaning of section 17(2). Vehicle maintenance reimbursement falls within the purview of section 17(2). Hence, this exemption is not available to the employees claiming vehicle reimbursement for official purposes. Conveyance allowance to the extent of Rs 800/- p.m. or Rs. 1600 p.m (for a blind person) is allowable to all employees other than those claiming Vehicle reimbursement to meet the expenditure for the purpose of commuting between place of residence and place of office.

XII House Cleaning reimbursement:

The value of benefit to the employee (or any member of the household), shall be the actual cost to the employer as reduced by the amount if any recovered from the employee. If a domestic servant is engaged by the employee, the perquisite is taxable in the hands of all employees (Whether specified or not). If a domestic servant is engaged by the employer, the perquisite is taxable in the hands of only

specified employees. If Domestic Servant allowance is given to the employee, it is chargeable to tax as perquisite even if the allowance is used for engaging a domestic servant.

1. Definition - Value of LTC received by or due to an individual from his present or previous employer, as the case may be, for himself and his family in connection with his proceeding on leave to any place in India or to any place in India after retirement or termination from/of service. Any income falling within any of the following clauses shall not be included in computing the income from salaries for the purpose of Section 192 of the Act :-

(1) The value of any travel concession or assistance received by or due to an employee from his employer or former employer for himself and his family, in connection with his proceeding (a) on leave to any place in India or (b) on retirement from service, or, after termination of service to any place in India is exempt under Section 10(5) subject, however, to the conditions prescribed in Rule 2B of the Rules.

For the purpose of this clause, "family" in relation to an individual means:

(i) the spouse and children of the individual; and

(ii) the parents, brothers and sisters of the individual or any of them, wholly or mainly dependent on the individual.

It may also be noted that the amount exempt under this clause shall in no case exceed the amount of expenses actually incurred for the purpose of such travel.

(2) Death-*cum*-retirement gratuity or any other gratuity which is exempt to the extent specified from inclusion in computing the total income under Section 10(10). Any death-*cum*-retirement gratuity received under the revised Pension Rules of the Central Government or, as the case may be, the Central Civil Services (Pension) Rules, 1972, or under any similar scheme applicable to the members of the civil services of the Union or holders of posts connected with defence or of civil posts under the Union (such members or holders being persons not governed by the said Rules) or to the members of the all-India services or to the members of the civil services of a State or holders of civil posts under a State or to the employees of a local authority or any payment of retiring gratuity received under the Pension Code or Regulations applicable to the members of the defence service. (3) Any payment in commutation of pension received under the Civil Pension(Commutation) Rules of the Central Government or under any similar scheme applicable to the members of the civil services of the Union, or holders of civil posts/posts connected with defence, under the Union, or civil posts under a State, or to the members of the All India Services/Defence Services, or, to the employees of a local authority or a corporation established by a Central, State or Provincial Act, is exempt under Section 10(10A)(i). As regards payments in commutation of pension received under any scheme of any other employer, exemption will be governed by the provisions of section 10(10A)(ii). Also, any payment in commutation of pension from a fund referred to in Section 10(23AAB) is exempt under Section 10(10A)(iii).

(4) Any payment received by an employee of the Central Government or a State Government, as cash-equivalent of the leave salary in respect of the period of earned leave at his credit at the time of his retirement, whether on superannuation or otherwise, is exempt under Section 10(10AA)(i). In the case of other employees, this exemption will be determined with reference to the leave to their credit at the time of retirement on superannuation, or otherwise, subject to a maximum of ten months' leave. This exemption will be further limited to the maximum amount specified by the Government of India Notification No. S.O.588(E), dated 31-5-2002 at Rs. 3,00,000/- in relation to such employees who retire, whether on superannuation or otherwise, after 1-4-1998.

(5) Under Section 10(10B), the retrenchment compensation received by a workman is exempt from income-tax subject to certain limits. The maximum amount of retrenchment compensation exempt is the sum calculated on the basis provided in section 25F(b) of the Industrial Disputes Act, 1947 or any amount not less than Rs. 50,000/- as the Central Government may by notification specify in the official gazette, whichever is less. These limits shall not apply in the case where the compensation is paid under any scheme which is approved in this behalf by the Central Government, having regard to the need for extending special protection to the workmen in the undertaking to which the scheme applies and other relevant circumstances. The maximum limit of such payment is Rs. 5,00,000/- where retrenchment is on or after 1-1-1997.

(6) Under Section 10(10C), any payment received or receivable (even if received in instalments) by an employee of the following bodies at the time of his voluntary retirement or termination of his service, in accordance with any scheme or schemes of voluntary retirement or in the case of public sector company, a scheme of voluntary separation, is exempted from income-tax to the extent that such amount does not exceed Rs. 5,00,000/-:

- (h) Such Institute of Management as the Central Government may by notification in the Official Gazette, specify in this behalf.

The exemption of amount received under VRS has been extended to employees of the Central Government and State Government and employees of notified institutions having importance throughout India or any State or States. It may also be noted that where this exemption has been allowed to any employee for any assessment year, it shall not be allowed to him for any other assessment year.

(7) Any sum received under a Life Insurance Policy (Section 10(10D)), including the sum allocated by way of bonus on such policy other than:

- (i) any sum received under section 80DD(3) or section 80DDA(3) or,
- (ii) any sum received under Keyman insurance policy or,
- (iii) any sum received under an insurance policy issued on or after 1-4-2003, but on or before 31-3-2012, in respect of which the premium payable for any of the years during the term of the policy exceeds 20 per cent of the actual capital sum assured. However, any sum received under such policy on the death of a person would still be exempt.

(8) Any payment from a Provident Fund [section 10(11)] to which the Provident Funds Act, 1925 (19 of 1925), applies or from any other provident fund set up by the Central Government and notified by it in this behalf in the Official Gazette.

(9) Under Section 10(13A) of Act any special allowance specifically granted to an assessee by his employer to meet expenditure incurred on payment of rent (by whatever name called) in respect of residential accommodation occupied by the assessee is exempt from Income-tax to the extent as may be prescribed, having regard to the area or place in which such accommodation is situated and other relevant considerations. According to Rule 2A of the Rules, the quantum of exemption allowable on account of grant of special allowance to meet expenditure on payment of rent shall be:

- (a) The actual amount of such allowance received by the assessee in respect of the relevant period; or
- (b) The actual expenditure incurred in payment of rent in excess of 1/10 of the salary due for the relevant period; or
- (c) Where such accommodation is situated in Bombay, Calcutta, Delhi or Madras, 50% of the salary due to the employee for the relevant period; or
- (d) Where such accommodation is situated in any other places, 40% of the salary due to the employee for the relevant period, whichever is the least.

For this purpose, "Salary" includes dearness allowance, if the terms of employment so provide, but excludes all other allowances and perquisites.

It has to be noted that only the expenditure actually incurred on payment of rent in respect of residential accommodation occupied by the assessee subject to the limits laid down in Rule 2A, qualifies for exemption from income-tax. Thus, house rent allowance granted to an employee who is residing in a house/flat owned by him is not exempt from income-tax. The disbursing authorities should satisfy themselves in this regard by insisting on production of evidence of actual payment of rent before excluding the House Rent Allowance or any portion thereof from the total income of the employee.

Though incurring actual expenditure on payment of rent is a pre-requisite for claiming deduction under section 10(13A), it has been decided as an administrative measure that salaried employees drawing house rent allowance up to Rs. 3000/- per month will be exempted from production of rent receipt. It may, however, be noted that this concession is only for the purpose of tax-deduction at source, and, in the regular assessment of the employee, the Assessing Officer will be free to make

such enquiry as he deems fit for the purpose of satisfying himself that the employee has incurred actual expenditure on payment of rent.

Further if annual rent paid by the employee exceeds Rs. 2,00,000 per annum, it is mandatory for the employee to report PAN of the landlord to the employer. In case the landlord does not have a PAN, a declaration to this effect from the landlord along with the name and address of the landlord should be filed by the employee.

(10) Section 10(14) provides for exemption of the following allowances :-

- (i) Any special allowance or benefit granted to an employee to meet the expenses incurred in the performance of his duties as prescribed under Rule 2BB subject to the extent to which such expenses are actually incurred for that purpose.
- (ii) Any allowance granted to an employee either to meet his personal expenses at the place of his posting or at the place he ordinarily resides or to compensate him for the increased cost of living, which may be prescribed and to the extent as may be prescribed.

However, the allowance referred to in (ii) above should not be in the nature of a personal allowance granted to the assessee to remunerate or compensate him for performing duties of a special nature relating to his office or employment unless such allowance is related to his place of posting or residence.

The CBDT has prescribed guidelines for the purpose of Section 10(14) (i) / (ii) *vide* notification No. SO617(E), dated 7th July, 1995 (F. No. 142/9/95-TPL) which has been amended *vide* notification SO No. 403(E), dt. 24-4-2000 (F. No. 142/34/99-TPL). The transport allowance granted to an employee to meet his expenditure for the purpose of commuting between the place of his residence and the place of duty is exempt to the extent of Rs.800 per month *vide* notification S.O. No. 395(E), dated 13-5-1998.

(11) Under Section 10(15)(iv)(i) of the Act, interest payable by the Government on deposits made by an employee of the Central Government or a State Government or a public sector company out of his retirement benefits, in accordance with such scheme framed in this behalf by the Central Government and notified in the Official Gazette is exempt from income-tax. By notification No. F. 2/14/89-NS-II, dated 7-6-1989, as amended by notification No. F. 2/14/89-NS-II, dated 12-10-1989, the Central Government has notified a scheme called Deposit Scheme for Retiring Government Employees, 1989 for the purpose of the said clause.

(12) Any scholarship granted to meet the cost of education is not to be included in total income as per of section 10(16) of the Act.

(13) Section 10(18) provides for exemption of any income by way of pension received by an individual who has been in the service of the Central Government or State Government and has been awarded "Param Vir Chakra" or "Maha Vir Chakra" or "Vir Chakra" or such other gallantry award as may be specifically notified by the Central Government or family pension received by any member of the family of such individual [Notifications No. S.O. 1948(E) dated 24-11-2000 and 81(E), dated 29-1-2001, which are enclosed as per Annexure]. "Family" for this purpose shall have the meaning assigned to it in Section 10(5) of the Act.

DDO may not deduct any tax in the case of recipients of such awards after satisfying himself about the veracity of the claim.

(14) Under Section 17 of the Act, exemption from tax will also be available in respect of:-

- (a) the value of any medical treatment provided to an employee or any member of his family, in any hospital maintained by the employer;
- (b) any sum paid by the employer in respect of any expenditure actually incurred by the employee on his medical treatment or of any member of his family:
 - (i) in any hospital maintained by the Government or any local authority or any other hospital approved by the Government for the purposes of medical treatment of its employees;
 - (ii) in respect of the prescribed diseases or ailments as provided in Rule 3A(2) of the Rules in any hospital approved by the Chief Commissioner having regard to the prescribed guidelines as provided in Rule 3(A)(1) of the Rules.
- (c) premium paid by the employer in respect of medical insurance taken for his employees (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority) or reimbursement of insurance premium to the employees who take medical insurance for themselves or for their family members (under any scheme approved by the Central Government or Insurance Regulatory and Development Authority);
- (d) reimbursement, by the employer, of the amount spent by an employee in obtaining medical treatment for himself or any member of his family from any doctor, not exceeding in the aggregate Rs. 15,000/- in an year.
- (e) As regards medical treatment abroad, the actual expenditure on stay and treatment abroad of the employee or any member of his family, or, on stay abroad of one attendant who accompanies the patient, in connection with such treatment, will be excluded from perquisites to the extent permitted by the Reserve Bank of India. It may be noted that the expenditure incurred on travel abroad by the patient/attendant, shall be excluded from perquisites only if the employee's gross total income, as computed before including the said expenditure, does not exceed Rs. 2 lakhs.

For the purpose of availing exemption on expenditure incurred on medical treatment, "hospital" includes a dispensary or clinic or nursing home, and "family" in relation to an individual means the spouse and children of the individual. Family also includes parents, brothers and sisters of the individual if they are wholly or mainly dependent on the individual.

5.5.2 Deduction in respect of contribution to certain pension funds (Section 80CCC)

However, if any amount is standing to the credit of the employee in the pension scheme referred above and deduction has been allowed as stated above and the employee or his nominee receives this amount together with the amount accrued thereon, due to the reason of

- (i) Closure or opting out of the pension scheme or

- M (Modify) -: For any modification in the existing Form 24G statement.
- X (Cancel) -: For cancellation of an existing Form 24G statement.

For preparation of correction statement, the receipt number of the original statement and receipt number of the previous statement is mandatory.

In case of first correction, PRN of original statement should be provided in field "Receipt number of Original Statement" and also in the field "Receipt number of Previous Statement".

In case a correction statement has already been filed earlier, PRN of original statement should be provided in field "Receipt number of Original Statement" and PRN of last correction to be mentioned in field "Receipt number of Previous Statement".

20. What is M -Type of Correction Statement?

This type of correction statement is to be furnished by AO, if it wishes to update any of its details like its name, address, Responsible person details, category, Ministry, State or deletion and addition of DDO (Drawing & Disbursing Officer) etc. Modifications in AIN (Account office Identification Number), Financial Year and Month are not allowed.

There are three modes by which changes can be made in the DDO details provided in original Form 24G statement:

- Add: DDO records can be added to the original Form 24G statement
- Update: details of DDO (i.e. TAN, TAN Name, demographic and contact details, amount of tax deducted and remitted, nature of deduction) can be updated for the DDO records provided in original or subsequent correction statement
- Delete: DDO records provided in original Form 24G or subsequent correction statement can be deleted

M-type correction statement will always contain AO details and details of DDO which are added and/or deleted.

21. What is X-Type of Correction Statement?

This type of correction statement is to be furnished by AO if it wishes to cancel an existing Form 24G statement. Filing of Correction type X will allow AOs to file regular Form 24G for the same primary key (AIN, Financial year and Month). This type of correction is to be filed only if the Form 24G has been filed with wrong AIN or, F.Y. or Month.

22. What is BIN?

BIN stands for "Book Identification Number" for each form type mentioned in the accepted monthly form No. 24G. BIN consists of the following:

- (i) Receipt Number: Receipt number is a seven digit unique number generated on successful acceptance of Form 24G.
- (ii) DDO Serial Number: It is a five digit unique number generated for every DDO transaction reported in Form 24G statement.
- (iii) Transfer Voucher Date: It is the last date of month for which Form 24G statement is filed.

BIN is required to be disseminated to the respective DDOs who in turn are required to report the same in the TDS/TCS Statement. The quoting of BIN has been made mandatory w.e.f 1 February, 2012. BIN is a unique number to verify the claim of TDS deposited without production of challan. As it is a verification key, it is advised that valid BIN disseminated by AO to the respective DDO should be correctly filled in TDS statement.

23. When is BIN generated?

On processing of accepted Form 24G statement, BIN is generated for each DDO record (with valid TAN) present in Form 24G statement. BIN are generated at TIN Central System and intimated to the PAOs with details of TAN and Form Type. DDOs can also download the same from TIN portal after TAN registration with TIN portal for online view.

24. What do the PAO and DDO have to do with the BIN?

PAOs have to disseminate the BINS to respective DDOs. While preparing the quarterly TDS/TCS statement, DDO has to quote the said BIN details, if tax has been paid through transfer voucher (book adjustment).

BINs generated for a particular 24G are mailed to the AO on the e-mail id provided in Form 24G. In addition, AO may also download the BIN details through AO login at TIN site. The DDOs can obtain the respective BIN either from PAO directly or can download from the TIN website www.tin-nsdl.com through the TAN account. Detailed procedure for registration of TAN on the TIN website and download of BIN is available on the TIN website as referred to above.

25. Under what circumstances will BIN be generated?

- BIN will be generated for valid TAN-DDO records added in Form 24G correction statement
- BIN will be generated for DDO records where invalid TANs/TAN not present in Income Tax Department database is updated with a valid TAN.
- New BIN will not be generated for any update made in TAN name, demographic and contact details, amount of Tax deducted and remitted or nature of deduction.
- BIN details will not be generated for deleted DDO records.

26. What is the utility of BIN?

The BIN details and amount of TDS reported in the quarterly TDS/TCS Statement filed by the DDO will be matched with the respective details filed in Form No.24G filed by the PAO at TIN Central System for accepting TDS/TCS Statement and for verification purpose.

27. Are there instances where BIN details and amount of TDS reported in TDS/TCS statements do not match with that reported in Form 24G? What are the consequences of such mismatch?

- (i) Instances of wrong/incorrect reporting of BIN by the DDOs in the TDS/TCS Statement have been observed. Reporting of incorrect BINs and corresponding amount in TDS statement will lead to mismatch with the respective amount as reported in the Form No. 24G. In this situation, the corresponding deductees may not get credit of the TDS/TCS. Therefore, the BIN as disseminated by the respective PAO should be reported correctly along with the corresponding amount in the TDS/TCS Statement filed by the DDOs.
- (ii) In a number of cases, one distinct DDO has been found to be reported by more than one AO in the Form No. 24G for the same form type of TDS statement which is not a valid scenario. The DDOs and respective AOs are advised to reconcile the issue and one DDO should be mapped to one AO only for a particular form type for a particular month.

28. What are the duties of PAOs/DTOs/CDDOs?

- i.* To apply for AIN with jurisdictional TDS office. AIN application can be downloaded from TIN site.
- ii.* To obtain correct TAN from the reporting DDOs.
- iii.* To file Form No. 24G (in CD, DVD, Pen Drive), within 10 days from the end of the month, electronically either at TIN-FC or by direct online upload at TIN website.
- iv.* To track status of the filed Form No. 24G through TFN website.
- v.* To download Book Identification Number (BIN) generated on the basis of 24G statement.
- vi.* To disseminate BIN to the respective DDOs.

29. What are the duties of DDOs?

- i.* To provide correct TAN to their PAOs/DTOs/CDDOs to whom the DDO/Deductor reports the tax so deducted & who is responsible for crediting such sum to the credit of the Central Government.
- ii.* To report to PAOs/DTOs/CDDOs, the details of tax deducted and credited to the Central Government account through book adjustment.
- iii.* To quote BIN in the quarterly TDS/TCS Statement (24Q, 26Q, etc) for the tax deducted and credited through book adjustment.

30. What are the consequences of non-quoting of BIN details in quarterly TDS/TCS statement?

- (a) BIN details and amount of TDS reported in the quarterly TDS/TCS Statement filed by the DDO will be matched with the details filed in Form No.24G filed by the PAO at the TIN Central System for accepting TDS/TCS Statement and for verification purpose.
- (b) Any wrong information reported by the DDOs in TDS/TCS Statement may lead to mismatch in the TIN Central System due to which credit to the respective deductee will not be "finally booked" in the deductee's Form 26AS.
- (c) Further details are available at TIN website www.tin-nsdl.com and ITD website www.incometaxindia.gov.in.
