Public Procurement Policy 2012

(Urgent feedback required from all IIA Members)

IIA Members,

Greetings from IIA !

You are aware that the Public Procurement Policy for Micro and Small Enterprises (MSEs) has been officially launched by Government of India from 1 April 2012. As per the Policy every Central Public Sector Enterprise (CPSEs) and Central Ministry/Departments are required to set an annual procurement target of 20% of total procurement from Micro and Small Enterprises apart from continuing to purchase 358 items already reserved for MSEs from 2012-13 onward.

A project in this regard has been undertaken to suggest methods of improving the effectiveness and efficiency with which Public Procurement Policy for MSEs will be implemented and also to create an information base for match making between CPSEs and MSEs.

IIA have been approached by the Government in this regard to provide feedback. For doing so , specific information as per attached format are required from each of IIA Members who are supplying goods and Services to CPSEs and Central Ministries/Departments.

IIA Members concerned are required to fill the attached form urgently and mail back to IIA head Office latest by 20th December 2012.

Regards

Manish Goel
